SKI SAFARI

Our history

The ski safaris originated from an idea of Mario Delmonego, instructor of the Arabba Ski School. Mario organized the first tours for his relatives and friends. Year after year there were more and more people keen to join the tours. In 2013 the travel agency *Arabba Holidays* was born.

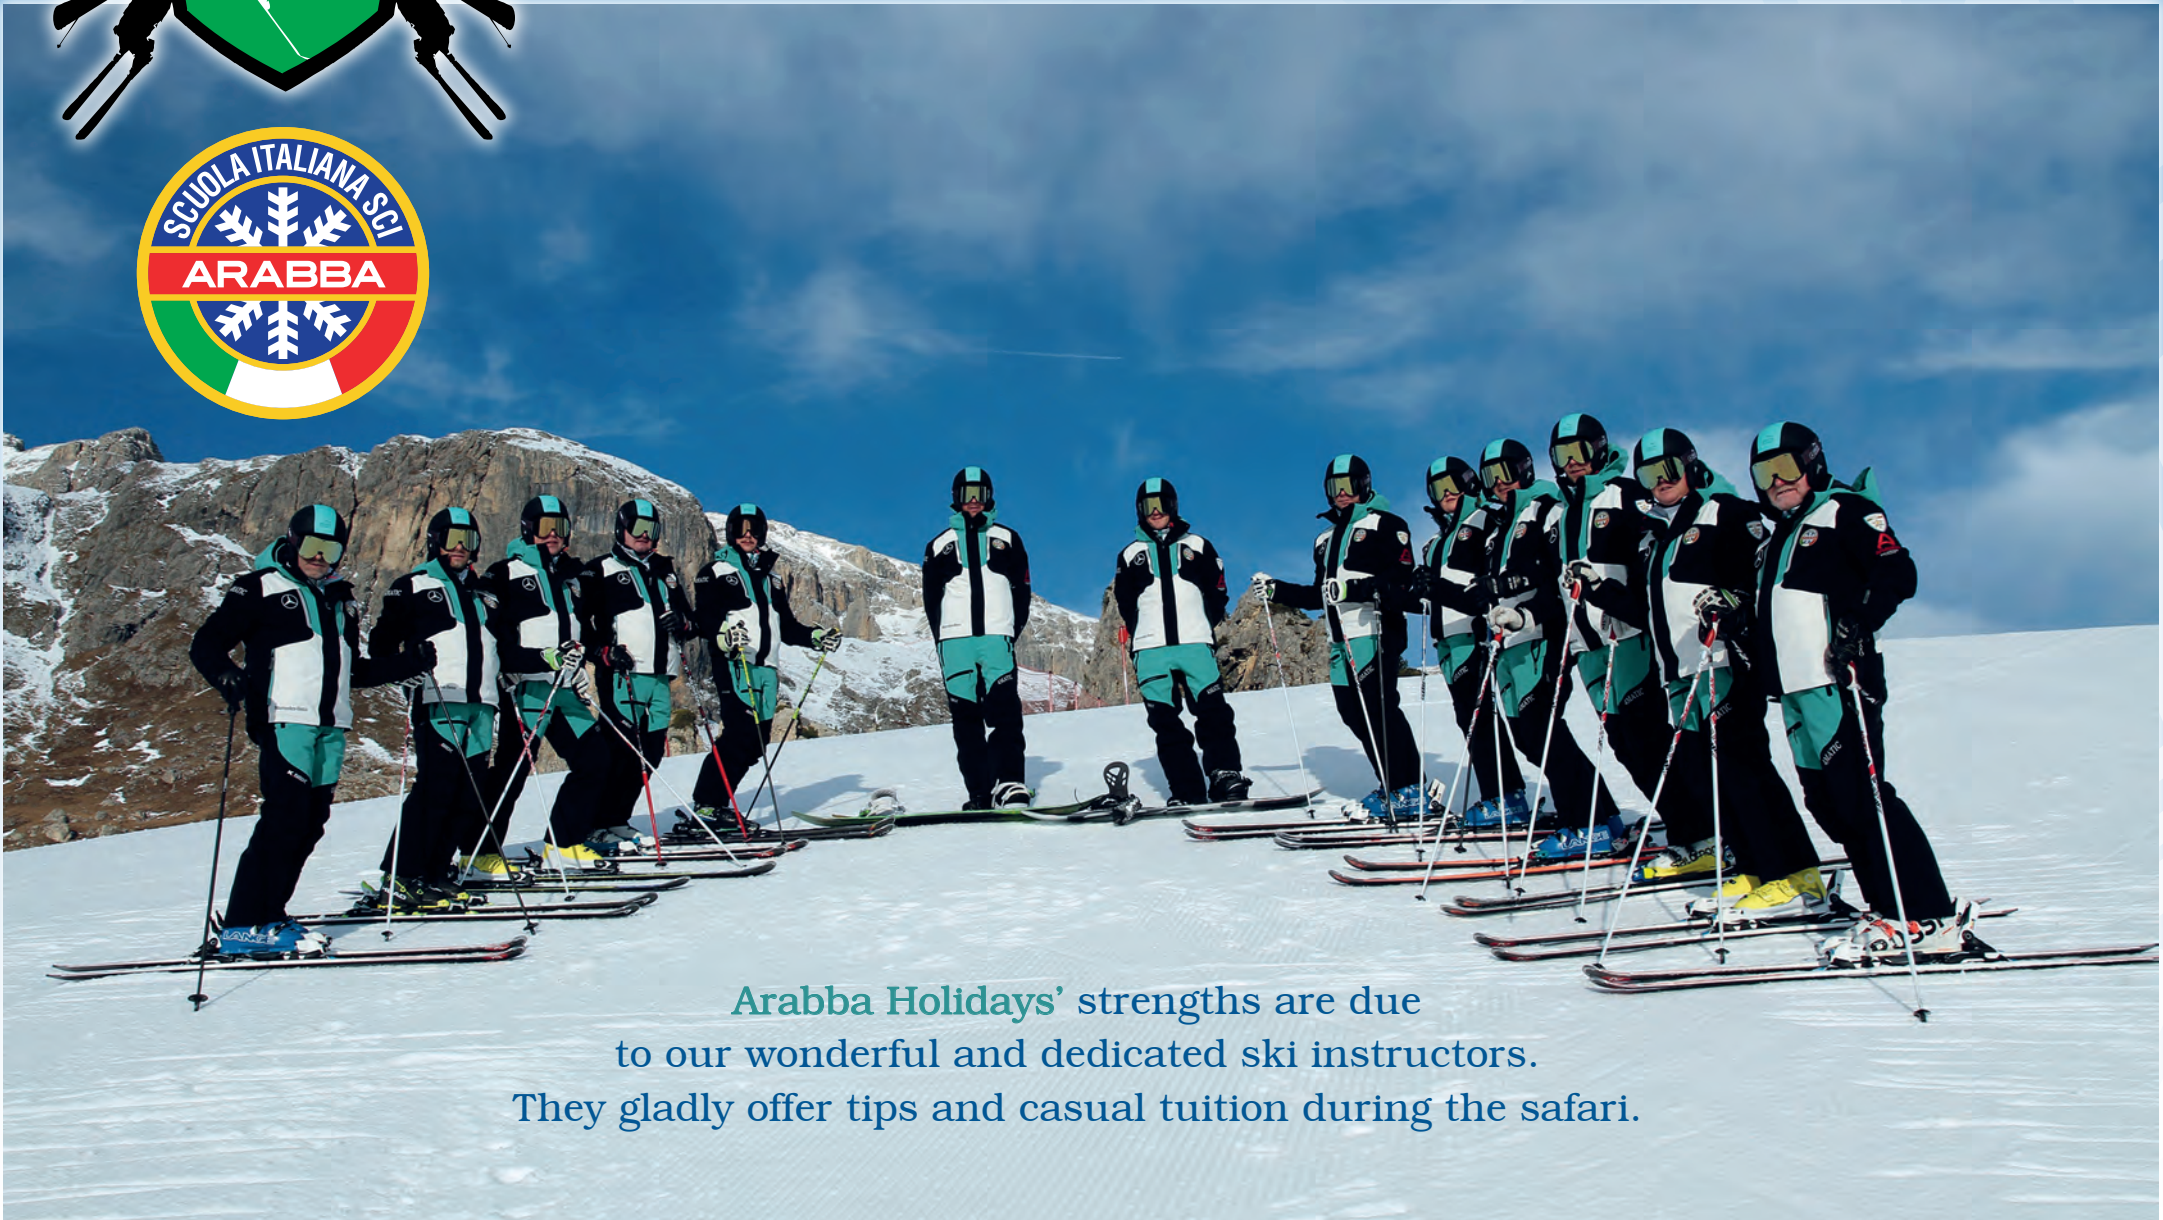

The agency's purpose is to allow people to discover the Dolomites in a new and exciting way, the perfect mix of ski lessons, tasty Italian/Ladin cuisine, relaxation and good company.

With these principals in mind, we are ready to do our best to give you a fantastic holiday during the winter season 2018 / 2019.

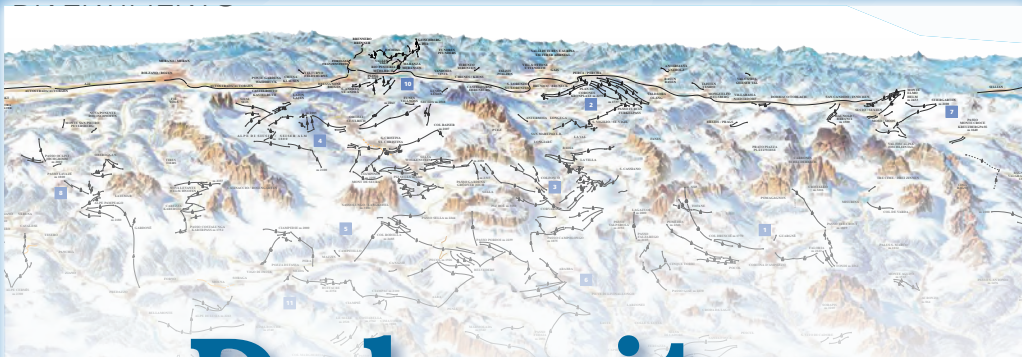

Our team

Arabba Holidays' strengths are due to our wonderful and dedicated ski instructors. They gladly offer tips and casual tuition during the safari.
